The Tristate Revolution Soccer Club reserves the right to make changes to this document at any time it deems necessary.

1. Introduction: At Tristate Revolution Soccer Club (TRSC), the players are the true essence of the club. Our goal is to provide a quality soccer organization. We believe that with quality players and coaches we will be able to put out a very competitive product. This manual is a working document. It will give you guidelines as to what TRSC expects at all times from you as a person and a player. We are not just looking for soccer players but rather young men and women who are well rounded, positive additions to today's world. At TRSC, we are determined and committed to offer the best opportunities for our players, on the field so they can make a difference off the field as well.

2. Vision Statement: Tristate Revolution Soccer Club strives to be a leader in competitive youth soccer for the Siouxland area.

3. Mission Statement: The mission of Tristate Revolution Soccer Club (TRSC) is to introduce the game of soccer to youth of all ages and skill levels with the purpose of providing the opportunity for each player to develop to their highest potential. TRSC strives to maintain an environment that embodies the core values of integrity, leadership, perseverance, respect and teamwork while enhancing self-esteem, promoting self-confidence and cultivating a lifelong passion for the game.

4. Parent to Coach Communication: Parents, players and coaches need time to reflect and process performance following a game. Therefore, parents are asked to refrain from approaching coaches to discuss game-related issues/concerns for a period of **24 hours after the game**. Parents are asked to refrain from approaching coaches prior to, during and immediately after trainings. Coaches need to be allowed to use this time to properly prepare for their training sessions. It is understood that individual coaches will be available and communicate how best they choose to receive the communication from parents and players – whether phone call, personal visit, email and/or text.

5. The Role of the Parent: The role of each parent is extremely important for all young athletes. At training we ask that all parents respect that the players are training and to stay a good distance from the fields during all training sessions. At games, parents are expected to applaud good play. There is, however, to be NO coaching by the parents from the sidelines during games or at training. Also, referees are not to be abused in any way. Please do not berate or shout at referees. We all make mistakes!

Coaches are not to be approached by parents at training or games either before or afterwards concerning players. This is a time for both the coach of the team and the players to be focused on the task at hand. If you have a coaching concern, please direct it to the coach at the appropriate time. (see Parent to Coach Communication Policy). To discuss playing time or game related concerns, wait a minimum of 24 hours to contact the coach. Please contact the coach first and if it cannot be resolved at that level, then contact the TRSC board and/or Director of Coaching. All of us at Tristate Revolution Soccer Club need the support of every parent to make this a very positive endeavor.

6. Child Safety Policy – Coach’s Responsibilities: Tristate Revolution Soccer Club players may not be left alone after practices or games under any circumstances. A TRSC coach* must remain with players at the practice field until they have been picked up by either; a parent, a legal guardian, an emergency contact, a responsible adult or the Sioux City Police Department (see below). In addition, it is highly recommended that at least one other adult be present in any situation that would otherwise leave a coach alone with a player. Staff coaches who violate this policy are subject to disciplinary action, including termination for cause. *TRSC coach is defined as any paid coach or volunteer parent coach.

Parent’s Responsibilities: Parents are obliged to try to pick up their children, or make arrangements for that child to be picked up by someone else, on time. If you are going to be late, you must attempt to contact your coach (or the DOC). In cases where your child remains more than 15 minutes after the normal end of a practice or game, the coach will attempt to contact you, an emergency contact, a responsible adult known to have transported your child before, or the Sioux City Police Department (see schedule).

Action Schedule: Step 1: 15-20 minutes after practice or game: The coach must attempt to contact parents or a legal guardian by telephone (all contact numbers must be attempted).

Step 2: 21-30 minutes after practice or game: If the coach is unable to contact a parent or legal guardian he or she must now attempt to phone the emergency contact for that child to arrange a pickup. The coach may, at this time, transfer responsibility for that child to another coach remaining at the complex. All contact information for that child must be given to the remaining coach.

Step 3: More than 30 minutes after practice or game: If, after this time, arrangements for the child have not been made, the coach must, at his or her own discretion, either: a. Wait longer with the child (recommended, if possible) b. Allow the child to go home with a responsible adult as long as there is a precedent for that child traveling to and from practices or games with that person. Authorization to do so is implicit in the precedent. c. Contact the Sioux City Police to have the child picked up and taken to the police station. In all three cases, the coach must contact the DOC or Club President to let them know of the situation.

Weather Cancellation: If a practice session is cut short due to weather conditions the coaches will immediately begin attempting to contact the parents or legal guardian (Step 1) to pick up early. Step 2 and Step 3 will be conducted according to the time line of the originally scheduled practice time. Parents are encouraged to keep track of the weather in order that players may be picked up in a timely manner should there be a sudden cancellation.

7. Player Development Philosophy: Our primary focus at TRSC is to help each individual player develop, grow, and mature as soccer players, athletes and people. It is a long-term process that cannot be rushed. There is no guarantee that a player will reach his or her potential, but we must give the players an opportunity to become the best that they can be. There is no magic formula, no shortcuts to successful development. Coaching at the youth level is not about collecting or recruiting players to win team championships. It is about working with the players and coaches to improve performance by creating age-appropriate and developmentally appropriate environments that are safe, healthy, challenging and competitive. We need to understand who we are coaching. These players are not mini-adults, they are children. Each age group has different characteristics that affect the way we teach and communicate. For all ages, winning is not the end all to be all. While learning how to compete (win and lose) is important, it is the acquisition of skills and life lessons which remains our highest priority.

Since players develop at different rates, this is not just for those who are the most advanced for their age. Nor is it just for the best athletes or the most committed soccer players. It is why we should set individual challenges in front of each player. Such a philosophy means sometimes taking unpopular stands regarding team formation and player placement. It means being honest with parents about the growth and development of their child. It requires us as coaches to challenge each individual player, while not forgetting about the needs of the player versus the needs of the team(s) and the club. To accomplish these goals, we must all be committed to understanding the game and learning more about how we can coach, direct and lead. In this way, coaches need assistance, players need direction and parents need guidance.

Working together, it is the coach’s and manager’s responsibility to promote and develop TRSC players through the many offered TRSC activities. This includes tech sessions, Futsal/Indoor season, camps, goalkeeper trainings, tournaments, etc. All for one, and one for all.

8. Playing Time: Playing time is not guaranteed. However, our primary goal is player development. Young players (11U and 12U) should receive enough playing time to allow them to develop their skills. The coaching staff will make every effort to enhance a player’s confidence and development by giving players an appropriate opportunity to play. Playing time for tournaments/games will not be guaranteed and is very dependent on the following: effort, attitude, practice attendance, ability, decision making, and level of

understanding the game. TRSC will guarantee enough opportunity to develop each player's soccer skills and EARN playing time. Coaches need to coach and not be time managers. Players need to play. Parents need to understand that equal playing time is not possible at this level. As a result, the following policy has been created:

1. Players are not guaranteed equal playing time
2. Players are provided with opportunity to EARN playing time.
3. Players will receive meaningful playing time dependent on attributes listed above
4. Meaningful playing time varies from game to game
5. Meaningful playing time varies from tournament to tournament
6. Meaningful playing time varies from player to player

9. Guest Players: Guest players among teams in TRSC - Requests for guest players will be handled by the Coaches of both teams involved. The use of guest players is permitted when a team is short of available current roster players.

- Guest players are NOT to be used to replace currently rostered players that are available for the tournament. Players will be picked based upon the needs of that specific team.
- Teams wishing to obtain guest players from within the club must first look for players inside the age group who would be appropriate selection as a guest player for the event in questions.
- Teams wishing to obtain guest players from within the club must first approach the team coach of the player they desire to add. Do NOT contact the player or parent(s) directly.
- Guest players may not be excused from their own team's activities without express approval from their coach.
- Any conflict between teams regarding the sharing of players will be resolved by the Director of Coaching.

NOTE: Guest players should not be charged tournament fees unless the borrowing team has made it clear PRIOR to the event. Keep in mind, the guest player is helping out the borrowing team.

Guest players from outside the TRSC – Requests for guest players outside of Tristate Revolution will be handled by the TRSC Coach and the loaning coach involved. The use of guest players outside of TRSC is ONLY permitted when a TRSC team is short of available current roster players AND they have attempted every option below.

- TRSC coaches must first look for guest players inside the TRSC club.
- They should look for players in their particular age group then outside the age groups before looking for guest players outside TRSC.
- Any guest player participating in a tournament must be a registered player with a state association prior to playing.

10. Player Recruitment Within TRSC: Our members (coaches, administrators, parents and players) will not directly contact the players, parents or coaches on other teams within TRSC with the purpose of convincing them to move to another team within the club. Any player movement will occur only during the club-identified team creation time-frame. Under special circumstances, (e.g. player development) with the approval of the impacted players, parents, coaches, and DOC, team player movements between teams may be allowed outside the defined team creation time-frame by petitioning the DOC directly under the direct supervision of the Director of Coaching.

Note: Players can be moved from one team to another within the club as long it is developmentally appropriate and with the approval by the Director of Coaching. Furthermore, there is to be no recruitment of players by club organizations at TRSC sponsored functions. These activities include but are not limited to: league games, league tournaments, and tryouts.

Procedure for handling potential violations:

1. TRSC members are to report recruiting effort to the Director of Coaching if they become aware of it.
2. The Director of Coaching, President or designee will contact the involved individual and explain/remind them about our policy and the potential problems that arise from such recruitment.
3. If such recruitment efforts continue after verbal contact has been made with an individual, a letter will be sent to the Iowa Soccer Association.
4. Club coaches wishing to recruit or visit with the parents of potential club players may contact TRSC via email or phone to obtain telephone numbers and follow up with their recruitment in that manner.

· **Outside of TRSC:** Our members (coaches, administrators, parents and players) will not directly contact players, parents or coaches on other club teams. Neither parents nor players will be a vehicle for a coach to attempt to illegally recruit players (meaning you cannot call or try to generate interest for players from another club). If a family from another club asks, you may communicate general information about your team and team formation events. Members (coaches, administrators, parents and players) who violate this policy will be responsible for all sanctions by Iowa Soccer and Tristate Revolution Soccer Club. Please report any contact you or your player receives other than a casual conversation or general information to the TRSC Board at

contact@tristaterevolution.org. TRSC wants to promote a fair and level playing field where players and parents are free to make the best decisions for their families during open enrollment periods.

11. Multiple Rostering: At this time, Tristate Revolution Soccer Club, with Iowa Soccer's support, has decided not to multiple roster with South Sioux City Futbol Club. This decision stems from poor past experiences which had detrimental impact on TRSC teams. Consideration for Multiple Roster opportunities is reviewed with each new season, beginning August 1. Forms signed in the past only applied through that soccer year ending July 31.

12. Fees & Fundraising: The Tristate Revolution Soccer Club board sets player registration fees. As of 2019-2020, that fee is \$900 for 11U-15U age groups and \$700 for 16U-19U age groups for a year of club soccer. Fees pay for Iowa Soccer Association Player Fees, Player Pass Fees, Director of Coaching Salary, Team Coach Salary, Coach Licensing / Continuing Education, Tournament Entry Fee (x8 Tournaments), Coach Travel Stipend (x8 Tournaments), Summer Technical Training, Winter Technical Training, Ruegger Field Maintenance, Equipment Costs

and general liability insurance. **Your registration is for the entire soccer season: August 1 – July 31.**

Additional fees could be incurred for players for such things as additional tournament registration, travel to/from tournaments, coaches' fees, indoor training, etc. **TRSC reserves the right to enforce a "no pay, no play" policy.**

If the team decides they would like to do a fundraiser, board approval is needed prior to the event. This is done by contacting a board member and asking for approval. Depending on timing of board meetings and the event, allow 6-8 weeks for approval. Once the board approves the fundraiser and the use of the TRSC logo/name, the team can proceed. After the fundraiser is completed, the funds should be equally divided by those players that attended the event and forwarded to the Club Treasurer to apply to a player's balance. The funds are not to be held or spent by the parent who organized the event. These funds are property of the TRSC players that attended the event.

13. Team Training and Tech Sessions: During the regular season, there will be two to three training sessions per week. Players should arrive at training 15 minutes prior to the session to get cleats and shin guards on to be ready to go when the time starts on the field. Training attire is light grey or white t-shirts, black shorts and black socks. No running shirts nor exposed sports bras are allowed. Shin guards are proper soccer attire and are expected to be worn at ALL training times including tech sessions, camps and goalkeeper trainings. All training times will be organized by the coaches and managers. The team managers will let the teams know when and where to go for training sessions.

Players are required to bring a soccer ball to each training session. We ask that parents respect that the players are training and to stay a good distance from the fields during all sessions. If everybody adheres to the rules, players will all benefit from an environment that is extremely conducive to playing, coaching and learning. The type of environment that is envisioned is one that is quiet and without excessive pressure. It is an environment in which coaches can be heard and understood easily. It is especially one in which a player's every move is not scrutinized by their parents.

Tristate Revolution Soccer Club offers Tech sessions during each season. These are optional but highly encouraged. Players will need to sign up through the club website www.tristaterevolution.org. Fall, Winter and/or Spring tech sessions are a one-hour session (usually for 5-8 weeks) with licensed, technically trained TRSC coaches. Summer tech sessions are offered between June 1 and July 31. These are sessions where boys and girls in the similar age groups work on their technical skills with TRSC alumni, current TRSC licensed coaches, the TRSC Director of Coaching or other licensed coaches.

14. Travel: Travel is a big component of the Tristate Revolution Soccer Club. Traveling allows our players and teams to compete against a wide variety of teams and participate in higher quality games than can be had if we continuously play against our local club teams. Another benefit of travel is the team and club bonding that naturally occurs as player and their families spend off-field time together. To that end, when we travel to a location that requires an overnight stay, teams are strongly encouraged to stay together. When out of our area for games and tournaments, the coach will impose a curfew/bedtime for the players. Also, depending on the morning game times, the coach may also announce a specific time that all players are to be dressed and in the hotel lobby for a morning run and/or workout. TRSC parents are expected to enforce these times in support of their coach.

When traveling to a tournament, players must remember that they are representing Tristate Revolution Soccer Club and should act accordingly. Running in the halls, excessive noise, kicking soccer balls indoors and similar behavior is unacceptable.

Tournaments generally require our players to play at least 3 games in a two-day period. The time between games should be used for physical and mental rest. Shopping, sight-seeing and similar activities are contrary to the purposes of tournaments. Please plan all of these activities for after play has concluded for the day or weekend.

Players as well as parents and coaches are expected to observe exemplary manners when traveling as they are representing Tristate Revolution Soccer Club in all they say and do.

15. Game Day Procedures: On game days, players are expected to be at the correct field, completely dressed, 45 minutes prior to the kick-off (disclaimer: some coaches prefer 60 minutes). There are circumstances that may change this though and team managers/coaches will communicate changes before the game. This time before the game is used to warm-up and prepare for the game. Late arrivals are seriously frowned upon.

Generally, the home team must change jerseys if there is a color conflict. To avoid any problems, players should always bring BOTH jerseys to every game.

Before the game, players should be properly fed, hydrated and rested. Players should also make sure to have their own water bottle(s) ready if needed during the game.

During the game, all TRSC players should keep positive when playing or watching the game from the bench. This includes no offensive comments whatsoever towards the other team, referees and teammates. The bench should make sure to be attentively watching the game and always ready to go in for the coach. No food on the bench (unless there is a medical reason).

Once the game is finished and the handshakes are completed with the opposing team and the referees, all TRSC players should clean up their personal belongings as well as all trash by the TRSC bench. TRSC policy is to leave the bench cleaner than when we arrived! It is the players' responsibility to make sure the bench is clean and all belongings picked up. It is the coach's responsibility to enforce this policy.

16. Uniforms: All TRSC teams will wear board approved uniforms only. The cost of uniforms is separate from the cost of club fees. Uniform ordering is accomplished when the team manager submits their team roster (each player's full name, uniform number and email address) to our Gear shop board member. Parents will then get an email with a specialized link to order their personalized uniform through myuniform.com.

- Sponsorship: Teams are allowed as many sponsors they can find but only two sponsors maximum can advertise on the TRSC uniforms. All sponsorships must be approved by the board prior to affixing to the uniform. The sponsorship logo(s) should be adhered on the sleeve of the jersey and nowhere else. This sponsorship logo should not be bigger than the TRSC logo on the uniform. There will be no alcoholic drinks nor tobacco sponsors allowed. These small sponsorship logos could also be adhered to the team's backpacks. As with the jersey, the sponsorship logos must be smaller than the TRSC logo and there can only be two on each backpack. The TRSC board must be made aware of team sponsorship prior to any logos added to uniforms or backpacks.
- Completion Dates: All players are expected to order their uniforms when the email link has been sent from myuniform.com.
- Liability: TRSC accepts no liability for mistakes made during uniform ordering. Players are expected to order their own uniform as listed on myuniform.com. Nike and TRSC are committed to answering questions on the uniform process in a timely manner. The uniforms are the possession, property and responsibility of the player.

17. Club Logo and Spirit Wear: The logo of TRSC is considered intellectual property and is proprietary to TRSC. The logo may only appear in the following manners:

- Only approved vendors are allowed to produce spirit wear items. Spirit wear is defined as all items, including apparel and merchandise that carry the TRSC logo and/or name.
- All spirit wear merchandise for sale to the membership falls under the direction and control of TRSC.
- TRSC members cannot use the TRSC logo, name, email list, tax ID without the prior approval of the Board of Directors.
Altering the club logo with team-specific names is prohibited unless permission is granted in writing by the Board of Directors.

18. Refund: Signing up for a competitive soccer team is a complex process. It involves tryouts, acceptance, physical commitment and financial dues. It also potentially involves excluding another player if/when any of our teams become full. Thus, the registration fee is considered non-refundable for withdrawal without exceptional circumstances. If the balance of fees has been paid, and the player withdraws before the first tournament or league game, the player will be entitled to a refund of the registration fee, less the deposit. A player that withdraws is entitled to receive back any pro-rated tournament fees that have not been used by the team already. In case of season-ending injury/illness, a reasonable pro-rated credit can be applied to the following season or refunded in the case of a 15U-19U player.

19. Financial Assistance: You may encounter a family who needs financial assistance. The Tristate Revolution Soccer Club has a formal application process for families that wish to apply for financial assistance. Financial assistance received from the Club will only be applied to registration fees and would not cover team fees. Inquiries can be directed to the Club Treasurer by emailing contact@tristaterevolution.org. We are hoping to expand our scholarship program to be applicable to all fees.

20. Weather Related Cancellations: Soccer culture is that games are played in light to moderate rain. The club will occasionally cancel a set of games or practices for bad weather or because the fields are unplayable. The policies below outline when the club will shut things down, but parents (and coaches) are of course welcome to hold their kids out if that is their best judgment.

Closing of Ruegger Field: Games and practices will be cancelled at Rucker Field by the Director of Coaching or by someone he designates for reasons outlined below. All efforts will be made to have decisions at least 2 hours before game/practice starting time. The goal of this policy is that both teams of games (and all parents at practice) will have a clear understanding on whether the game or practice has been cancelled and to avoid situations in which one team comes and its opponent does not. Cancellation notices will be placed at www.tristaterevolution.org and will be emailed to coaches and team managers. It is the team coach and manager's responsibility to contact their team but it is the parent's responsibility to be aware of the weather conditions and stay vigilant with communication options.

Thunder and Lightning: Games and practices will be cancelled if severe weather warnings indicating heavy thunderstorms accompanied by lightning and/or dangerous high winds are broadcast from the National Weather Service or a community siren is sounded. Cancellation notices will be placed on the Tristate Revolution website and be emailed to coaches and managers. During games/practices, any referee hearing thunder or seeing lightning will suspend or cancel play immediately. Players and spectators will be asked to clear the field and seek shelter. If games are more than half over, they should be considered complete. Other games may be resumed after the weather has passed. There will be a 30-minute wait until after the last lightning or thunder before play will be resumed. Games, once restarted, must end at least 5 minutes before the next scheduled game on that field. This implies that interrupted games, which are being played on a field that is also scheduled for use in the next timeslot, will need to be rescheduled for another time or must resume play on an unscheduled field, subject to the availability of the referee. During practices, any coach hearing thunder or being informed that thunder was heard will tell the players to clear the field and seek shelter, and will inform other coaches so that all practice at the facility is stopped. Practices ½ or more completed will be considered complete; kids should go home and not wait for a restart of practice. Coaches should not leave until last child has gone home. There will be a 30-minute delay after last occurrence of lightning (or thunder) before practice is restarted.

21. Misconduct and Disciplinary Procedures: Tristate Revolution Soccer Club expects all players, coaches and parents to act appropriately. We are all representing the TRSC program when at tournaments, league games or just wearing our apparel around town. Players, coaches, and parents will abide by the Code of Conduct policies. The agreement contract shows your support for TRSC and your commitment to bettering the TRSC environment.

If a player/coach/parent is found not adhering to the Code of Conduct and the Agreement contract they previously signed, the following steps will occur:

Verbal Counseling: The Director of Coaching shall conduct a meeting with the party involved at which they will be notified that they are being placed on verbal notice and future allegations will result in additional action. Director of Coaching and the TRSC Board will maintain written documentation of the meeting for future reference, if necessary.

Written Notice: Should a second actionable offense occur, the party in question will be provided written notice, outlining the results of the first meeting with the Director of Coaching and notifying them of a second actionable offense. The written notice shall include:

1. Nature of the problem.
2. Action to be taken and consequences if further infractions occur.
3. Request that the party will refrain from continuing the offending behavior.
4. Notification that if the behavior continues and another complaint is lodged, they will be asked to discontinue their relationship with TRSC.
5. Should the party in question feel they were unjustly accused, appeals should be in writing within two weeks of the written notice and submitted to the TRSC board. The Director of Coaching and the TRSC Board will keep a copy of the written notice, along with the documentation from the verbal counseling or written notice for future reference.

Final Notice: Upon receipt of a third actionable offense, the party involved will be asked to discontinue their relationship with TRSC pending review of the allegations. Such notice will be provided in writing and include:

1. Nature of the problem.
2. Notification that the situation will be brought to the TRSC board for review.
3. Notification that the relationship with TRSC is suspended pending the TRSC board decision.
4. Possible consequences which will be enforced

Additional Rules Applying to Coaches: If offenses are committed by any TRSC parent volunteer or licensed coach, the following additional sanctions apply:

- a. Offense 1: Suspension (without pay, if applicable) for two (2) games.
- b. Offense 2: Suspension for one season.

c. Offense 3: Automatic and indefinite expulsion from the Tristate Revolution Soccer Club. The Director of Coaching reserves the right to take immediate action to suspend an accused individual pending investigation if the situation is deemed threatening to the legal exposure of the club or safety and well-being of its participants.

22. TRSC PLAYER CODE OF CONDUCT: The player acknowledges and agrees to the following statements of conduct and rules and conditions for participation as a player with the TRSC:

1. I will conduct myself in a manner that is respectful to myself, my team, and my parents.
 2. I will not use foul, offensive or abusive language.
 3. I will accept and listen to what my coaches tell me.
 4. I will support my teammates.
 5. I will report any injuries or ailments to my coach immediately.
 6. I will hustle, work hard, and give my best at all times.
 7. I will accept my role on my team.
 8. I will wear my uniform and any TRSC gear proudly and properly.
 9. I will pick up after myself at practices, games and especially on the bench.
 10. I will not use drugs, alcohol or tobacco products of any kind during my association with TRSC.
 11. I will keep my grades up.
 12. I will abide by all the other rules and regulation set by the TRISTATE REVOLUTION SOCCER CLUB organization and coaches.
- I understand that I am responsible and accountable for my own actions and decisions. Breaking club rules and violating my "Code of Conduct" will result in disciplinary actions from loss of playing time for player or not be allowed to watch game to expulsion from the team.

23. TRSC PARENT CODE OF CONDUCT: The parent of a TRSC player acknowledges and agrees to the following statements of conduct and rules and conditions for participation with the TRSC:

1. I will be a positive example of good sportsmanship during all practices and games and will show respect to my child, their teammates, opponents, coaches and refs.
2. I will encourage my player and his/her teammates from the parent side of the field but not coach.
3. If I am responsible for my child's transportation to games and practices, I will make sure to be at all events on time. If late or have to miss an activity, I or my player will contact the coach via text/phone call.
4. While attending TRSC soccer games or practices, I will not use foul, offensive or abusive language directed towards a player, coach or referee.
5. I will not approach the team's side of the field or my player/child during games or practices to deliver advice, equipment, drinks or food.
6. I will not ridicule or yell at my child or any other child for making an error.
7. I will not approach my child's coach(s) within 24 hours of any incident to provide a cooling down period.
8. I will not smoke or use tobacco at the fields. I will not drink alcohol at the field or prior to the games.

I understand that I am responsible and accountable for my own actions and decisions. Breaking club rules and violating my "Code of Conduct" will result in disciplinary actions from loss of playing or practice time to possibly expulsion from TRSC for my child. The TRSC Parent and Player Handbook should be read by both the player and parent.

Parents and Players should understand by clicking "I Agree" on the Parent/Player Handbook Waiver during the registration process, both parents and players are agreeing to abide by the Code of Conduct set forth by the Tristate Revolution Soccer Club.
